

Leicester. Dec. 23, 1844.

My dear Mr. Chapman,

Here with you have a very small contribution, from a very few Leicester friends, who would have been glad, could they have rendered you more valuable aid - but you will bear in mind the innumerable calls upon our time, which we country people, with either no domestics, or very poor ones, are constantly subjected to. & give us credit for doing what we could. I am very glad to see, ~~that~~ by your advertisement that you are so well supplied with useful & elegant articles, & wish I could go & see the show; but an infant of 7 weeks, keeps me very closely at home, & I must depend upon Mr. May for an account of it - as I have been obliged to do for two or three years. With many good

wishes for your success, believe me  
with great regard - Yrs

Sarah H. May.
